Dear Candidates,

1. Engineering is an important and learned profession. Engineers are vital to our economy and society. Their knowledge and skills are in high demand across a range of sectors, from manufacturing to Space technology and everything in between. It is a dream of most of the students in our country to pursue their career as an Engineer. The first step to cherish this dream is to successfully clear the JEE (Main) examination.
2. CBSE is conducting JEE (Main) Examination for admission to NITs / IITs and some other prestigious engineering colleges in India. The JEE (Main) is also an eligibility to decide top 2.2 lakh candidates who will appear in JEE (Advanced) for admission to IITs. Over the period of time, the number of candidates appearing in this examination has crossed 12 lakhs. CBSE has ensured that only most suitable candidates are selected for the admission in IITs / NITs & IITs and therefore from time to time vital changes such as integration of IT, have been brought in to ensure transparency in the process.
3. These days there may be stressful environment in the family of aspiring candidates due to 10+2 Board Examination and JEE (Main) which is scheduled on 2nd April, 2017 in pen & paper based (offline) mode and on 8th & 9th April, 2017 in computer based (online) mode. I am sure that you will be able to cope up with this situation with consistent practice, regular study schedules and mental calmness. Parents should also keep in mind that all that the children seek today is approval, acknowledgement and appreciation from their family. And this is what will give them emotional strength and boost their intellectual capacity to achieve well in these examinations.

4. Aspiring candidates are advised to prepare for this examination with regular hard work, planning and sincerity. They should take message from following Shloka :

त्याज्यं न धैर्यं विधुरेऽपिकाले,
धैर्यात्कदाचित्स्तिथिम् आप्रयायत।
जाते समुद्रेऽपि पोतभंगे,
सायान्त्रिको वाँछति तर्तुमेव। पंचतन्त्र॥

(Don't leave your patience at the moment distress, as this will eventually help turning the situation into a favourable one. While cruising in the ocean if the ship gets wrecked, the sailor doesn't loose hope and tries to rescue his life by sailing to the shore)

5. You might have read the Information Bulletin carefully and have completed first step successfully by submitting your application form correctly that would lead to the attainment of desired success as per your aspiration.
